

ATTHASETH KANOKWUTTHITHUMRONG

Profile

I am a first-year student who is passionate about mathematics, engineering, and new energy. I also plan to major in New Energy Science and Engineering. My ultimate dream is to contribute meaningfully to society through innovative solutions in fields related to new energy.

Research Experiences

- 2023 - 2024 Optimization of Temperature-controlled Commercial Shipping based on Model of Heat Conduction and Graph Algorithms**
- Develop a mathematical model of heat conduction to predict the ice melting time in temperature-controlled shipping containers
 - Construct an algorithm that can optimize transportation cost, suitable box size and list of station to refill the ice
 - Present findings in school final project presentation and regional competition

Academic Achievements

- 2022 - 2023 19th Thailand Mathematical Olympiad (TMO)**
- Bronze medal
- 2023 High School Mathematical Contest in Modeling**
- Honorable mention
- 2024 - 2025 Science Week Project Contest by Science Association of Thailand under the Royal Patronage**
- Bronze medal in regional level
 - Used the mentioned project in this competition

Extracurricular Activities

International Activities

- A buddy for English students from Camborne Science & International Academy at KVIS-ISF 2024
- Participate in CUHKSZ SSE Elite Innovation Summer Camp 2024
- Student Ambassador for International Undergraduate Admissions of CUHK-Shenzhen

Staff works

- **KVIS-ISF 2022:** Excursion staff for Route 1: H.M. Sirindhorn Herb Garden and PTT-LNG
- **KVIS Sports Day 2022:** Line man and Welfare
- **MWIT-KVIS Sports Festival 2023:** Scoreboard man for basketball and volleyball competition, listing rankings for micro marathon
- **KVIS-ISF 2024:** Scientific activities staff for earthquake tower activity
- **KVIS Open House 2024:** Sports staff, introducing circuit training to the participants
- **CUHKSZ International day 2026:** Create Booth staff, teaching participants how to make Krathong

Master of Ceremony (MC)

- Opening for dorm party 2022
- KVIS-ISF 2023 Briefing Session

Clubs

- **Math Outreach Volunteer--Khan Academy for Thais:** going out to nearby schools to teach mathematics to primary school students, design learning activities and explanations
- **KVIS Tagazine:** magazine column writer for Tagazine, which is the magazine talking about interesting things happening in KVIS. I chose to write about the updated curriculum in KVIS in the recent year and slangs we usually use in KVIS.

Tutoring

- Teaching mathematics to junior secondary students
- focus mainly on problem solving
- about 1 year of experience

-  +86 15112382685
-  125010006@link.cuhk.edu.cn
-  Bangkok, Thailand

Education

Kamnoetvidya Science Academy 2022-2025
GPA (5 semesters): 3.97

The Chinese University of Hong Kong, Shenzhen (SSE) 2025-Present
GPA (First semester): 3.60

Standardized test

SAT 1400 (ERW 610 Math 790)

AP

Chemistry	5
Calculus BC	4
Physics C: Mechanics	4
Physics C: Electricity & Magnetism	5

Language

Thai	Native
English	Fluent
Chinese Mandarin	HSK4

Relevant Skills

- Scientific Research
- Office 365
- Problem solving
- Responsibility
- Data analytics
- Physics and chemical lab skills
- Engineering skills
- Python, C (Basic)
- Presentation
- Mathematical Modeling

Relevant coursework

- Special topics in chemistry
- Ordinary differential equations
- Data structure and Algorithm
- Probability Theory
- Physics
- Chemistry
